#### DESCRIPTION

This multipurpose fishing vessel is equipped for the crabs, shrimps and ground fish fishing. All your catches will be kept fresh with the two refrigerated sea water fish holds and the RSW system that can produce "slurry ice" to maintain the highest quality of fish. This multipurpose fishing vessel is highly reliable and technologically advanced. With an impressive stability, this vessel is a real machine for execution. *This vessel has been produced by two shipyards. The "EXECUTIONER" built by Forillon Shipyard and the "RUSSELL'S LEGACY" built by HGOE.*
